Happy Birthday

A very amusing
card from Janice;
Man Ray would
love it! — as I do.

From one classic
to another

Janice

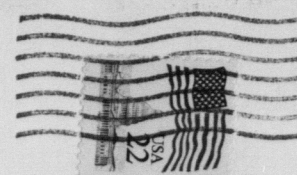

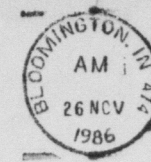

Have a happy
one!

Just for the record: there
are the best crackers
ever made!

Love, Janice, Johnny
Christopher & Jeffrey

I think you are coming
in January
yes!

Trina an opera singer that
Janice has been "seeing" on
the side for many years. They
uses my apartment in NYC
on more than one occasion
for romantic rendez-vous.

Some of Mrs. Grayson's students of note:

Treana Andidna
Doug Calzola
Bob Cornell
Paul Tomaine
Katy Cardi
Deborah Stanton
others, certainly —
Richard Atkinson

nice people, all of them;
very quickly they learn
that SRP is "a person
of quality" (as the French
say) and quickly
they are won over.

4/5-12/9/86 — "Take it easy Mr. Powell. It's been
nice having you as a substitute."

I am, naturally, an easy mark
for a kind word.
